

PATENT AND LAW FIRM

HISTORY OF YUS

Patent & Law Firm YUS was founded in 1994 by Sergey Lovtsov, one of the leading Russian specialists in Patent Law. It was the specialists of the USSR State Committee for Inventions and Discoveries and the USSR Gospatent who formed the backbone of the firm. By the time those specialists already had a significant experience in the area of legal protection of inventions, designs, trademarks, and technology transfer.

From its earliest days, the firm's team has been committed to promoting a civilized intellectual property market in Russia. Since its foundation, the objective of the firm has been to create an environment in which the intellectual rights are securely protected, effectively enforced, where their holders could confidently develop their business in the atmosphere of creativity and fair competition.
